

# Annual Career Panel

Save the Date!

## Careers in Geospatial Technology

(GIS, Remote-Sensing, and Cartography)

Local GIS professionals share what their organizations are looking for when filling GIS positions and offer advice for applicants. Our panelists will each give short presentations describing their perspective of the GIS job market, followed by time for questions.

*Our panelists include:*

**Chris Aldridge - David Evans and Associates**

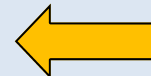

**Steven Sobieszczyk - USGS**

**Tyler Vick - FLO Analytics**

**3:00 – 5:00 PM**

**Friday, 30 May, 2014**

**Cramer Hall, Room 413**

Free refreshments! All are welcome.
