

REMOTE SENSING TECHNICIAN
Watershed Sciences, Portland, Oregon
Closes: August 5th 2011 at 5pm PST.

Watershed Sciences is in search of multiple persons to fill full-time, temporary positions for **Remote Sensing Technicians** in the Portland office. We are looking to fill these positions immediately and for a term of 6 months.

About Watershed Sciences:

Watershed Sciences Inc. is an Oregon-based company with offices in Portland and Corvallis. This job posting refers only to openings in the Portland office. We specialize in remote sensing, image analysis, data processing, and hydrology. We collect airborne data including LiDAR, thermal infrared and digital multi-spectral imagery, as well as perform ground and bathymetric surveys.

Desired Skills:

We are looking for individuals with the ability to successfully work independently, as well as in a team setting. The responsibilities for this position include processing and analysis of a variety of spatial data products (including LiDAR data) and general analysis support. The successful candidates will have a BS or higher in engineering, geography, or equivalent earth sciences and a minimum GPA of 3.5. The candidates should have a strong background in geo-spatial technology and concepts. Experience with ArcGIS, ERDAS Imagine, and/or any programming language is a plus. Hourly rate will be commensurate with education and work experience.

Required for consideration: Letter of interest, resume with references, salary history and response to the following:

Disciplines that employ spatial data acquisition and analysis are changing at a dramatic pace. Please write a brief (no more than one page; font size 10 to 12; standard margins and line spacing) description of your vision of spatial data production and analysis for the next five years. How do you see the field evolving?

Please send in MS WORD format to:

apply@watershedsciences.com

Resumes will be accepted until August 5th, 2011, but immediate submissions are welcome and will be reviewed promptly.

No phone calls, please. Incomplete applications will not be considered.
